## De Urbanisten are looking for a landscape architect intern

De Urbanisten is an innovative office for urban design and landscape architecture based in Rotterdam, The Netherlands. De Urbanisten contribute to a sustainable design of the city and an attractive and healthy living environment by focusing on climate-sensitive and nature-inclusive design.

DE URBANISTEN are looking for a motivated and skilled intern. Your portfolio shows relevant projects in the field of landscape architecture and urbanism. You are a talented designer; your visual skills are excellent and you like to work in a team. Preferably you are full-time available for at least 6 months.

As an intern, you will be part of a driven and dynamic team that works on a variety of projects and provide a friendly working environment with opportunities. Proficiency in the English language is required. Communicating in Dutch would be highly appreciated, but is not a must. You are expected to start in February and you will receive a monthly stipend.

If you are interested please send your CV and your portfolio (pdf) to our [job@urbanisten.nl](mailto:job@urbanisten.nl). For more information about the internship or projects, check [www.urbanisten.nl](http://www.urbanisten.nl) or send your questions to [info@urbanisten.nl](mailto:info@urbanisten.nl)
